NOW!

Salutations, O fair students of Colonia High! It is of definite authentication to the truth of our worthy cause that we convey these greetings to you this day; as it is with just confidence that we here cast unto this brave new world our platforms and goals for guidance and enlightenment.

Our primary aim for the immediate future is merely the absolute abolishment of man's ultimate physical crime, the committing of sex for pleasure.

This dominating pact has served as the human race's bog eternal, from which his minusglories have sprung. Our progenitors have bredded themselves into superfluous national growth, and, in addition, have created legions of detestable proles. We, the Junior Anti-Sex League, realize fully the implications of sinlove, and, have thus taken the goodenergy to warn you, the youthful citizens of the state, about it; for though it strikes at

first innocuously, sinlove then universalizes itself like virus.

Glorious gifts you shall receive upon your acceptance into the Junior Anti-Sex League:

1. The approved textbook, 2 + 2 = 5 And Other Oceanic Equations, by Professor O'Brien.

2. The approved novella, War is Peace, by Leo Tolstoy's even smarter sbother.

3. The ABC's of Newspeak, the approved recorded language course. cont. on p.11

CHALLENGE

by Amy Cornell

This year, four Colonia Senior High School students are

involved in "challenge," a game show that can be seen on TV 3, the cable channel. The four students are three sen-

iors, Richard Brown, Robert Nichols, and Robin Weintraub (alternate), and one junior, Michael Jasny.

"Challenge" consists of three rounds and the contestants

FROM THE EDITOR'S DESK

For this issue, I did not have any trouble on choosing a topic to write my editorial on. The topic will deal with the question of: Why did the newspaper take so long to come out? Why am I reading a Valentine's issue in March; is the question that many of you are asking yourself. So, in order to clear up matters, I will explain the situation as best possible.

First, in order to print a newspaper, you

need writers, artists, photographers, department editors, proofreaders, and typists. If any of a group is not working up to its potential or just plain "missing," the editor usually takes on the unfinished work. When this happens, the editor becomes overwhelmed with tasks that should be taken care of by the specified appointed editors.

Secondly, once all of the staff members know what their contribution to the newspaper is, they should be able to meet dead-

lines. For each the writer, photographer, typist, proofreader, and editor-in-chief have certain dates in which their work is to be completed. If any one group is late, the entire process takes a step backwards. When something like this happens, dedication and cooperation are both lacking among the staff members.

Not only must the staff members have a good relationship among themselves, but they also should have one with their chief-editor. They must

RING SALE

auditions

by Helen Hoefele

ATTENTION SOPHOMORES:

On January 18, 1984, the Sophomore Class Officers met with a Herff Jones salesman concerning the sale of class rings. At this meeting, the prices and styles of the rings were discussed. This year the rings will have the words Colonia High around the stone instead of Colonia Senior High, which were used in the past. Also, a selection of smaller rings will be available. The salesman couldn't give a definite price, but he did give an estimated price for the 10k gold rings, which are as follows:

Mens XL- \$159.00
L- \$145.00
S- \$130.00
XS- \$125.00

When forms are handed out in the spring, please remember to order your class of '86' ring.

We shall prosper in proportion as we learn to dignify and glorify labor and put brains and skill into the common occupations of life. There is no defense or security for any of us except in the highest intelligence and development of all.

-- Booker T. Washington

Recently there have been auditions for the 1984 Region 11-All-State Band, Orchestra, and Chorus. Several students from Colonia auditioned; some successfully, and others unfortunately not. Much hard work and practice is required before one even considers him/herself for such competitive auditions. Along with the practices, mental and physical preparation play an important role too.

Auditions were held Saturday, December 10, 1983. Students throughout Central Jersey competed for a place in Band, Orchestra, or Chorus. They were judged individually on scales, an assigned solo piece (interpretation, articulation, intonation, etc.), and finally a sight reading piece.

After the try-outs, everyone eagerly waited for the results. Several musicians and choir singers from Colonia were selected. Sue Bellock, Sue Amory, and Dave Saruya were chosen for the Chorus. John Canete and Sue Hoefele were accepted as Orchestra members.

Helen Hoefele and Kim Olsen were selected as Band members.

They are all glad to have been able to try-out and be accepted. The experience of working with an experienced conductor and with some of the best musicians of central NJ was very enlightening.

The finalists then went on to attend five rehearsals and a concert. Their next step is auditioning for All-State, they will compete against Northern and Southern Jersey.

All the students would like to extend a special thanks to their music teachers: Mr. Gallo, Mrs. Jacalandra, and Mrs. Strack, who spent endless hours preparing and teaching them. The teachers also prepared the students psychologically for the competition.

While visiting many of our extracurricular activities, I have observed enthusiastic and involved students participating in a wide variety of projects. A great number of these pupils belong to more than one organization, and represent only a small segment of the total school population. You all have special talents and gifts. Use them! I cannot think of a better way than to become involved in your school, so I strongly urge those uncommitted members of the student body to become involved.

Recognize that your years at Colonia are special and unique in your lives. Utilize every moment, since your high school years can never be restored. Don't leave the precious moments of high school to others. Let the "other" be you.

The United Cheerleading Camp Invitational Competition was held Sunday, January 22, 1984 at Hackensack High School. Teams from

New York, Pennsylvania, and New Jersey participated in this event. Our cheerleading team competed along with Varsity Cheerleaders of nineteen other high schools.

The Hackensack gym was packed with spectators; excitement and anticipation filled the air. Now, the question: Were the fighting Colonia Varsity Cheerleaders ready for it? The answer: You bet they were!!! Each squad performed two cheers. When our team hit the floor, the crowd was cheering along. It was easy to see that our school had the most spirit. Along with our fans, posters for Colonia lined the top of the bleachers!

The girls were judged in five categories, which were: poise and appearance, enthusiasm, voice, precision, and overall presentation.

Our squad practiced long and hard for the chance to win. The end result of receiving a First Degree of Excellence Award was the reward for weeks of preparation. This award was only given to those squads with 184 to 200 points out of a possible 200 points. Colonia also ranked second out of twenty teams, beating Woodbridge!! Congratulations!!!

Next year Colonia Senior High School will have a new club for its students to join. The club which has yet to be named will start forming at the beginning of the next school year.

The club's main purpose is to serve the community. The activities that are planned are new and inventive. Some of them, which were leaked to me by an informative source were a granola eating contest, a dinner-dance for parents without partners, and a garbage drive (a prize will be awarded to the person who collects the most garbage).

Yes, these are just a few of the new and exciting things that are planned for next year. So come on and keep an ear out for more information on this up and coming club.

Do it for God, for your country, and for Colonia's New Club!! Get into the patriot spirit and join!!

Honor Hour

On Wednesday, March 28, 1984, the National Honor Society will hold its annual induction ceremony. Membership is based on scholarship, leadership, service, and character. To be eligible, a Junior or Senior must fulfill the following criteria:

(1). All subjects count equally.

(2). A candidate must have a "straight" B average on final grades and at the time he is considered. However, a junior who lacks a "straight" B average by no more than one C may as considered as a senior.

(3). No student who has received an F or an E grade in any marking period during the time that person has been in high school shall be eligible.

(4). No student who has received more than one D grade during the time that person has been in high school shall be eligible.

(5). No student who receives two U grades, three N grades, or any combination of U's and N's totaling three from two differ-

ent teachers shall be eligible.

(6). Each candidate who satisfies #2 through #5 is rated on a scale of 1 to 4 by the entire faculty on Scholarship, Leadership, Service, and Character.

Juniors must be rated no less than 3.5 out of a possible 4.

Seniors must be rated no less than 3.3 out of a possible 4.

(7). Adverse criticism by two different teachers should or could be a factor for rejecting a candidate. Adverse criticism by three different teachers shall disqualify a candidate.

(8). Satisfactory performance in school or community activity shall be a factor recommending a person for election to membership.

(9). No student with a significant discipline record in the office shall be eligible for election.

(10). An unsatisfactory or poor attendance record shall be weighed and considered as a factor for disqualification and ineligibility.

Those eligible must apply for membership. Those students who are eligible will know by mid-February and have until early March to complete their applications.

are from two different high schools. The game show's host asks a series of questions to be answered by either team. The questions are from a wide variety of subjects, such as, history, spelling, geography, religion, and sports. As the game continues on, the questions gradually become more difficult. For each correct answer, the team is awarded a set amount of points, which increase in each round.

So far, Colonia has beaten Roselle, 405-370. The next round against Mother Seton, will be shown on TV 3 Wednesday, February 15, at 6:30 p.m., and Sunday, February 19, at 1:30 p.m. The best of luck to them, and watch for the shows!!

HOROSCOPES

Aries (March 21-April 20): A romantic with a cute Gemini keeps you floating on cloud 9. But don't forget about your other responsibilities; you will have to come back down to earth eventually.

Taurus (April 21-May 21): A break-up gets you down for a while, but don't despair. A reconciliation is likely, and happiness lies ahead.

Gemini (May 22-June 21): An old flame comes back into the picture, but don't jump into anything. A chance to meet with a stranger may bring the excitement you long for.

Cancer (June 22-July 23): Your relationship with a Libra becomes even stronger. Make sure you let your loved ones know how much they mean to you.

Leo (July 24-August 23): A Pisces has been watching you a great deal lately. Give him/her a chance. It could turn into a great romance.

Virgo (August 24-September 23): You become suddenly attracted to someone who is much older. Be careful; you may end up hurt because of a crush.

Libra (September 24-October 23): A Taurus enters your life on Valentine's day, but the relationship was not meant to be. You're hopelessly devoted to one true love.

Scorpio (October 24-November 22): For the first time in a long time, you can't find anyone who really appeals to you. This will change rapidly, when you catch a glance at someone who you just have to meet.

Sagittarius (November 23-December 21): You are an incredible flirt and are having a hard time settling down. Try to find one person that you really care about before you leave a string of broken hearts behind you.

Capricorn (December 22-January 20): An old flame suddenly seems very unexciting to you. Take some time off to yourself and figure out what you really want.

Aquarius (January 21-February 19): Many exciting relationships lie in your future, although you are unattached at the moment. Don't let it get you down; you'll soon have a wonderful busy love life.

Pisces (February 20-March 20): A friend who you have a casual relationship with suddenly wants to get serious. Unfortunately, they care for you more than you care about them. Let them down easy.

SPORTS

Colonia, who is currently first place in Middlesex County and sixth in Southern Jersey shows chances for wins in the county and state tournaments. Those of us who have been following this team in the past years will know this is no surprise.

Tony Payne who is averaging 21.1 points per game, is said to be one of the best players Middlesex has ever seen. Payne has played varsity since his freshman year, but he has exploded this season. In the past three years, Coach Tisdale has moved him around on the team to the positions that needed filling. Payne, this year at point guard is finally at the position that he excels in.

Another veteran of the team is Mike Farrell. Farrell, a 6'5" forward, is sinking six baskets per game and averaging twelve rebounds.

A much improved player is Frank Francois. Frank helps build upon the strength underneath the basket. He has the ability to snatch the rebound and put it back in for two.

The team has improved greatly, but don't think it's going to end. We look better and better as the season goes on. Ain't nothin' gonna break our stride!!

The 1984 wrestling season has run through its highs and lows.

The first match ended in a heartbreaking loss against the tough Cedar Ridge team. Their victories to date include: Perth Amboy, J.P. Stevens, Manasquan, Highland Park, and the undefeated cross-town rivals, J.F.K., by a score of 5-4.

Several outstanding Varsity wrestlers are Dave Weisman (101 pounds) with a 10-1 record, Art Mackey (heavy wt.) with a 9-1 record, and Willie Travena (170 lb) who so far remains undefeated. This strong Varsity team is rated eighth in the county and voted by

"The Atom Tabloid" as the most improved team.

Looking at the J.V. team, many wrestlers on the squad are freshman. Mike Grippo, Jenny Pezza, Ives Viola, and Dave Chin are the four freshman. Mike, one of the smallest members of the team, likes the sport because it is one where size doesn't

STRETCH YOUR MIND WHILE YOU STRETCH YOUR COLLEGE DOLLARS.

The Army College Fund way to get the money for college makes a lot of sense.

To qualify, you must be a high school graduate, make good marks on the Armed Services qualification test, and enlist and train in one of several selected skills that will challenge and stretch your mind.

You can start immediately putting aside the money for college. And for every \$1 you save out of your salary (over \$570 a month), the government will add more than \$5. If you put up \$100 a month, in a 2-year enlistment, you'll have \$15,200 for college. And you'll have a technical skill that might help you decide what to take in college.

Your Army Recruiter has a booklet that explains all about the Army College Fund. Pick one up.

realize what responsibilities he/she may have and vice-versa. Each has their own obligations to fulfill, and if this isn't done, then all respect for the operation and the newspaper itself is lost.

In conclusion, I would like to say that I do have several excellent dedicated staff members, and without their assistance, this newspaper would not have been printed. However, there are those who do practically nothing, and just want their name on the staff to use on college applications or for N.Y.S. membership. My staff members and the readers of "The Declaration" know who the doers are and who the non-doers are. And, even though some of the members of the staff receive recognition, "nobody ever said that life was fair!"

We will look forward to the continued success of our team in the future.

The following poem is dedicated to Mr. Robert Peterson:

Youth

is a dreaming time
 for attaining the impossible.
 It is a time
 when reaching for the stars

 But once mature,
 each finds limits

 Still, those who continue
 reaching for the stars
 climb the highest mountains.

Dear Dee,

I'm so depressed. My boyfriend's parents won't let me see him anymore. There's nothing we can do about it. I feel like I have no reason to live. All I ever do is eat, sleep, and lie around the house. Please help me before I gain 300 pounds.

Lonely Lardo

Dear LL,

It's time for you to put the pieces of your life back together. If you really can never see your boyfriend again, then you must learn to accept it. But if you truly care about him, don't give up. There's always a chance that his parents might change their mind. If not, there's a whole world full of guys out there waiting for you. This could be your chance to start a new, exciting relationship.

Dear Dee,

I just had a fight with my best friend and now we're not talking to each other. I refuse to call her because she's wrong and I don't see why I should have to apologize first. How can I save this fading friendship?

Red in the face

DEAR DEE

Dear RITF,

If you really want to save your friendship, there's only one thing you can do. Call your friend and talk things out.

If you don't make the first step, you may lose a valuable friend. It may be hard, but it will be worth it in the end.

Dear Dee,

My girlfriend's sister is in love with me. I'm only a sophomore and she's nineteen. I admit it's very flattering, but I don't want a relationship with her. I have enough problems with my fourteen year-old girlfriend. It's very embarrassing when I go over my girlfriend's house because her sister always follows us around and pinches me. I tell her to stop but she refuses. When I told my girlfriend about it, she didn't believe me. How can I resolve this perplexing problem? I can't help it if I'm mature for my age.

Can't handle two

Dear Cht,

You have a problem that most people would love. But at your age, it wouldn't be sensible to go out with someone four years older. I have a very simple solution for you. Just don't go over your girlfriend's house any more. Invite her over your house or take her out somewhere. Soon her sister will find someone else to admire.

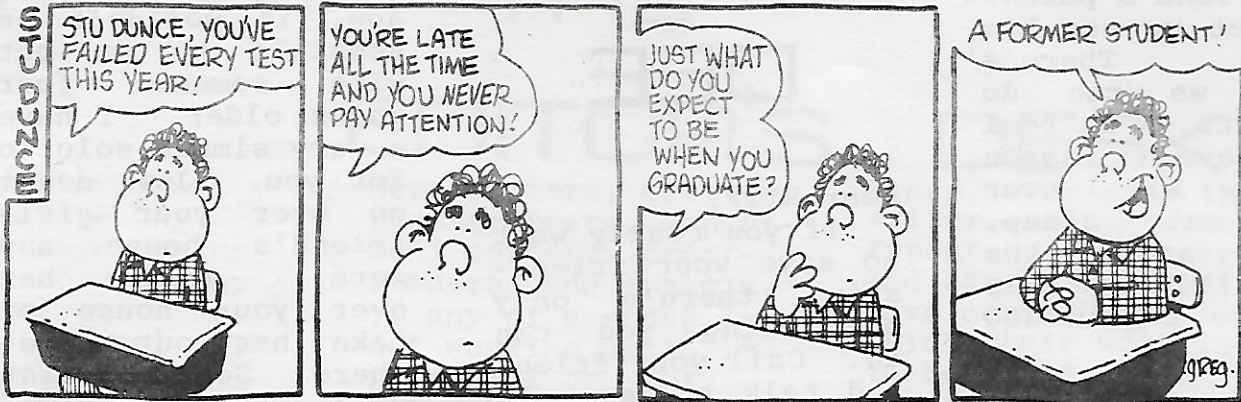

Dear Dee,

I'm a guy who happens to have an extraordinarily high I.Q. Because of this factor beyond my control, I have become a pariah among my peers. I never get invited to social gatherings and nobody comes to mine. I have a stimulating personality, so why don't I have any friends? After all, man cannot live on brains alone. I'd even talk to people inferior to myself.

Gifted Gentleman

Dear Gifted,

Your intelligence doesn't seem to be the problem here. Your attitude is keeping you from becoming accepted. You will never be liked if you make others think they are not as good as you. Forget about your I.Q. and concentrate on becoming a friendly, outgoing person. Soon you'll have the friends you desire.

The Sino-American Club has begun meeting again, and the 1983-1984 year promises to be the best ever. Mr. Wu, the advisor, and the members of the club are planning several trips to various restaurants, and other after school activities. At the first meeting, officers were elected: Mindy Frank, President; Amy Cornell, First-Vice-President; Michelle Lemmon, Second-Vice-Pres.; Joe Dispenza, Treasurer; and Andrea Venice, Secretary. Besides the election of officers, dues were also set. On February 1, 1984, the club went to the Mandrin restaurant, in Wayne, New Jersey.

The club's main goals are to expand

the members' knowledge of Chinese culture and life-style, and also to have fun!!

EXERCISE PREROGATIVES

Tired of Richard Simmons, *Canadian Military Exercises*, Jack LaLanne and *Jane Fonda's Workout Book*? Take heart. This exercise regimen for the armchair athlete is guaranteed. You are directed to lift your spirits, not weights. When sufficiently lifted, add these exercises:

Jog your memory
Skip a meeting
Break a date
Pull yourself together
Stretch a point
Carry a tune
Grasp at straws
Run a temperature
Shake a habit
Fish for compliments
Flip your lid
Throw a party
Toss a salad
Bat an eye
Kick the traces
Jump to conclusions
Bend the truth
Leap at the chance
Run up a tab
Toss your cookies
Carry the day

Finally, after completing the entire list of "exercises," you are permitted to hit the hay, not the basket. Z-Z-Z-Z!

Whiz Quiz

Know your math? If so, this should be easy:

First, determine what the world's biggest spendthrift saves in a year. Then, figure out how much this country's biggest miser spends on himself or herself in a given 24-hour period. Further, calculate the sum an unemployed editor earns each month and what the state's richest person can want in monetary terms any hour of the day.

Having figured out the above, you can see that the same amount applies to all. Finally, each will have the exact amount at death.

How much is that amount?

ANSWER

Nothing is the amount for each of the four, and at death, each will have nothing.
